(Eufaula) – Save our Water, Inc. will host a picnic and candidates' rally on Saturday, July 15th at 1 p.m. at the McIntosh County Fairgrounds Exhibit Hall 1 mile East of Eufaula on Highway 9. Local artists, "The Wolf Pack," will be performing and there will be free hot dogs and homemade cookies for everyone.

Save Our Water has planned this event for the purpose of giving candidates an opportunity to meet, greet and speak to the people in SE Oklahoma and supporters of SOW. SOW currently has over six thousand supporting members that live statewide representing the majority of the districts and counties in the state of Oklahoma.

"This picnic and rally is an opportunity for SOW members and supporters to gather at Lake Eufaula in one centralized place and to listen to candidates running in this upcoming primary election for local and statewide positions," said Karen Weldin, SOW President. "We want a chance to meet and get to know those who are running for public office and to hear their platforms. We want to know we have their support for SOW's mission and goals as well as other state and local concerns."

"Preserving and protecting our state water resources needs to be important to every politician in our state," said SOW board member George Wright. "We hope they will all be there and share with us how they will help us."

SOW supporters and all interested persons from across the state are encouraged to come, meet the candidates, and hear what they have to say.

Save Our Water, Inc.'s mission is to preserve and protect Lake Eufaula and all Oklahoma's water resources.
